

Partnership with God

The concept of tithing is the Biblical pattern of financially supporting God's church and God's mission to our community and world. Tithing means contributing 10% of one's income to the "storehouse," the place where one receives God's Word and Sacraments. If you do not tithe, you're encouraged to do so or at least increase your giving toward a tithe. If you do tithe, you're encouraged to increase your giving over a tithe.

I've never met a former tither. -Pastor John Kieschnick

My Part

Bring the whole tithe into the storehouse...

God's Part

I will... throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it. -Malachi 3:10 (NIV)

My Part

Realizing God desires to become a partner with me and trusting in His promises, I step out in faith by committing the first portion of my income to the Lord through Word of Life Fellowship (the storehouse).

- I will begin tithing (giving 10% of my income to the Lord).
- I will increase my giving toward a tithe.
- I already tithe.
- I will increase or have increased my giving over a tithe.

Bring one-tenth of your income into the storehouse so that there may be food in my house. Test me in this way," says the LORD of Armies. "See if I won't open the windows of heaven for you and flood you with blessings.
