

Backyard Vacation Bible School

Due to Covid-19 we will not be hosting VBS at Word of Life Fellowship in person but online. We are partnering with Messiah Boerne to provide an online experience in which we encourage all who have joined us in the past to invite friends

and family to your house to host your own smaller, backyard VBS.

The length of each event will be shorter than our typical VBS but will include songs, crafts, and videos. Crafts will be easy with supplies you should be able to find around your home.

You may host your backyard VBS the week we originally scheduled, **July 13-17**. Or you may have it once a week for the whole month of July! **It's up to you and your friends and family!!!**

Even with this year's changes and new normal, we are reminded at VBS that Jesus' power pulls us through!!!

Building a Bigger Heaven in Texas

In our prayers this week, we're lifting up missionary pastor Dr. Ely Prieto and the people of LINC San Antonio as they reach out to people in San Antonio and beyond. We give a tithe of our regular offerings to Texas Partners in Mission to support new church starts.

POSTPONED

After new developments and unforeseen complications and after prayer and consideration, **our re-opening has been postponed to July 12, 9:30 am.**

New Developments

The President of the University of Texas Health Sciences Center, Dr. William L. Henrich, MD, MACP, in response to a marked increase in COVID-19 cases, asked area residents to intensify their commitment to safe behaviors. He noted, "Models of COVID-19's impact on Bexar and surrounding counties suggest the number of hospitalized patients could nearly double in a week or two and multiply tenfold by August." Also, **the first Guadalupe county Covid-19 death took place recently and our county has also experienced a spike in cases.** We need to do our part to avoid harm to others.

Unforeseen Complications

While we have made incredible progress with live streaming and have received a generous gift from a friend of Word of Life to purchase necessary equipment, there are still more steps to be taken to complete installation, testing and training for live streaming. **See the RSVP in the Note Sheet if you would consider being trained to be a video operator.** Other preparations for the building and assigning of tasks also remain.

Work Day

Also, our Church Workday has been postponed to Saturday, **July 11, 8:30 a.m.** We'll move chairs to allow for social distancing, move pens and other items which might be touched, sweep, mop, wipe, refill sanitizer, mow, trim, and edge to prepare for our safe return to the building.

Prayer

Please continue to pray for our leaders and for one another during this uncertain time. Questions? Ken@wordoflife4u.com or 210-566-2237.
