

Backyard Vacation Bible School

Due to Covid-19 we will not be hosting VBS at Word of Life Fellowship in person but online. We are partnering with Messiah Boerne to provide an online experience in which we encourage all who joined us in the past to invite friends and

family to your house to host your own smaller, backyard VBS.

The length of each event will be shorter than our typical VBS but will include songs, crafts, and videos. Crafts will be easy with supplies you should be able to find around your home.

You may host your backyard VBS the week we originally scheduled, **July 13-17**. Or you may have it once a week for the whole month of July! **It's up to you and your friends and family!!!**

Even with this year's changes we are reminded at VBS that Jesus' power pulls us through!!!

Building a Bigger Heaven in Texas

In our prayers this week, we're lifting up missionary pastor Richard Mittwede and the people of University Lutheran Church as they reach out to people in Austin and beyond. We give a tithe of our regular offerings to Texas Partners in Mission to support new church starts.

POSTPONED Again!

Covid-19 cases have spiked in both Bexar and Guadalupe counties. This week, stressed San Antonio medical facilities were in the national news and another Guadalupe county resident has died of Covid-19 complications. Pastor Ken has not yet finished troubleshooting, learning, and recruiting a video operator for (we still need one or two more trainees) the live stream system. Two of our music leaders, because of medical conditions, are not comfortable returning at this point. Several churches that have re-opened are now reverting back to online only services for the safety of guests, members, staff and community. After prayer and consideration, **our building re-opening and work day have been postponed until medical facility conditions improve and the live stream system is complete.**

While we very much miss getting together in person for worship services, the primary way this virus spreads is through people being near other people. Since a high percentage of virus carriers have no symptoms, any one of us could be carriers who unwittingly are spreading the virus.

Please continue to pray for our leaders and for one another during this uncertain time. Questions? Comments? Ken@wordoflife4u.com or 210-862-7629.

Prayer Requests/Thanksgivings

Please email your prayer requests, thanksgivings and updates to BetterLife@WordofLife4u.com. Let us know whether you would like your prayer to be confidential, otherwise we'll edit it and add it to our weekly Word of Life Family Prayer list and offer the prayer in worship services.
