Supervisors, please sign below only if the student seemed to offer their best in service to the Lord.

Students: You will substitute an eligible service activity to the Lord for one LifeLesson note requirement each month. At least ½ hour of service is required for credit. You will be expected to do your best at each activity. Some service activities require skill or even auditions (e.g. singing, playing an instrument), but don't be afraid to ask to try or to ask for help, and don't be hurt if you're asked to try something else. Service in the community is encouraged but must give witness to Jesus (e.g. wearing a Word of Life t-shirt). Eligibility will be determined by the pastor. Feel free to be creative, but if you're unsure about eligibility, ask ahead of time.

Examples of eligible service activities:

Church Work Days or Church Lawn Mowing	Helping with Nursery or Sunday School	Helping at Vacation Bible School
Running ProPresenter	Spring or Summer Serve	Running Sound
Running Livestream	Helping at RACAP	Greeting
